### Suzuki Vitara Engine codes ProxyParts com

December 26th, 2019 - The engine code is usually stamped somewhere into the engine block The first 4 or 5 letters numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you You can search our database for engine codes which have been specified with requests in the past'

### 'Vitara j20a engine upgrade ideas zukiworld com

December 11th, 2019 - The problem i having is it seems that the engine seems to be struggling i think due to all

---

the extra weight and the larger tyres and fuel economy is shocking I am pretty new to suzukis so i was thinking to converting to a v6 h25a engine or something better or is there something you can do to the j20a engine to give it that more power'
