May 1st, 2018 - Illustrative problems P1 and P2 We will  
demonstrate the finite element method using two sample problems  
from which the general method can be extrapolated''XFEM

Mathematical software swMATH  
April 22nd, 2018 - An extended finite element library This paper  
presents and exercises a general structure for an object oriented  
enriched finite element code The programming environment provides  
a robust tool for extended finite element XFEM computations and a  
modular and extensible system'
