Parallel Lines ?  
You may not  
realize it but you  
see thousands of  
parallel lines  
every day that  
make our life  
much easier For  
instance the  
lines on the road  
that tell you  
when to drive are  
parallel to  
each other rails  
on railroad  
tracks and also  
building  
structures are  
built using  
parallel lines
