global financial crisis
May 14th, 2020 - the subprime crisis
is the name for what is a historic
turning point in our economy and our
culture it is at its core the result
of a speculative bubble in the housing
market that began to burst in the
united states in 2006 and has now
caused ruptures across many other
countries in the form of financial
failures and a global credit crunch
the forces unleashed by the subprime
crisis will'
