*May 29th, 2020 - the book tries to  
cover different aspects and fields  
involved in the microsystems  
design mems the book scope is  
very broad in a sense that makes  
it miss essential details and  
concepts it may work as a first  
introduction to the subject for  
students approaching the subjects  
for their first time but it can t  
serve as a reference'*
