June 15th, 2018 - I've seen links posted to POHs for the King Air C90B. Go to Edit Aircraft in the left column. You can find a C90 listed there. Set one up with a fictitious tail number. Once you have that done and saved, press here with done; you can then go to Aircraft Performance and that will show

you the stored information for that aircraft type It is listed per 1 000 ft of altitude i e incredible'
