## **climatology**

June 4th, 2020 - climatology from

---

---

greek ?????? klima place zone and ??????  
logia or climate science is the  
scientific study of climate  
scientifically defined as weather  
conditions averaged over a period of  
time this modern field of study is  
regarded as a branch of the  
atmospheric sciences and a subfield of  
physical geography which is one of the  
earth sciences'
