June 4th, 2020 - ann demeulemeester is minimalism what she was doing at her label in the 80s 90s and 00s is what everyone else was doing much later she has an unmatched sense for the just right the quietly beautiful for pieces that contain everything they need to contain and no less and no more turns out this works just as good with tableware as it does high fashion''customer reviews ann demeulemeester

August 31st, 2019 - as an object it is literally an ann demeulemeester bible with its black linen covering its black edging to each almost bible weight vellum like page its loooooong black lace woven throughout to act as a bookmark and of course the black linen covered box that acts to protect it all it s beautiful'
