salvation ontology existential and other large words

May 23rd, 2020 - in recent posts i have contrasted morality with ontological as well as existential etc i ve had ments here and elsewhere in which people stumbled over the terms the distinction offered is not a private matter orthodox theologians for better than a century have struggled to make these points as being utterly necessary to the life of the orthodox faith the following is a small article'

'the ontology of the enemy norbert wiener and the

June 2nd, 2020 - 230 peter galison the ontology of the enemy cal claims of cybernetics into a collocation of vacuum tubes resistors and condensers designed to replicate the intentions of a hidden enemy pilot enemies were not all alike in the killing frenzy of world war ii one version of the enemy other not wiener s was barely human to the"ontology metaphysics britannica

June 8th, 2020 - history and scope wolff contrasted ontology or general metaphysics which applied to all things with special metaphysical theories such as those of the soul of bodies or of god wolff claimed that ontology was an a priori discipline that could reveal the essences of things a view strongly criticized later in the 18th century by david hume and immanuel kant'
