'Olympus OM 3 Broken Camera Club

April 22nd, 2020 - The OM 3 remained a mechanical camera and was only needed a battery for the meter The OM 1 used a simple needle system but the OM 3 used a more sophisticated display to show exposure A key petitor of the OM 3 was the still produced OM 1n The OM 1n lacked the more sophisticated meter but remained popular and may have been a key reason

'Flickr Discussing Pro s vs Con s of the OM 1 OM 1n OM 2

May 3rd, 2020 - I m going to try to return my OM 1 and get a new one some time down the road and I d go for an OM 1N this time over the OM 1 The reason is the foam which exists on earlier models in the top of the prism housing early OM 1 and OM 2 s disintegrates over time and the glue is corrosive to outer part of the prism which destroys your viewfinder experience"Olympus OM 1 OM 2 OM H ard Forum

April 10th, 2020 - My dad s got an Olympus OM 1 and an OM 2 along with a pile of Olympus lenses One of the things he mentioned he d like for Christmas is an OM 10 body doing some Googling has turned up a whole sequence of OM bodies along with this site"Olympus OM 1 vs Olympus OM 2 Attempts at 35mm

May 3rd, 2020 - Black Olympus OM 2n on the left and a chrome OM 1 on the right Here?s a very short parison of the Olympus OM 1 and OM 2 cameras I currently own both models OM 1 has been one of my favourite cameras for over a year now and last

autumn I purchased the OM 2 as too after being a total vintage Olympus fanboy'

'Olympus OM 1 or OM 1n Photrio Photography Forums

April 30th, 2020 - I find the OM 1 smoother and quieter than the OM 1N I have 5 OM 1 s and 2 OM 1N s to pare I like the OM 1 because it is more pure in appearance especially around the eyepiece and hot shoe mounting area but that s just my obsessive pulsion order showing One other thing'

'Olympus OM 1 a OM 1n PALADIX foto on line

May 4th, 2020 - Firma Olympus vytvořila v 70 a 80 letech impozantní dílo nazvané zcela prostě OM system Jde o ucelený systém o cca 280 jednotkách ? ve své komplexnosti umořuje prakticky jakékoli fotografické práce ?Základním kamenem? systému OM je dnes již legendární zrcadlovka Olympus OM 1 a tu si nyní blíže představíme'
