times gets right to the heart of desert travel
michael palin sahara ii is long out of print though
available used for vehicle prep the latest amh and
olh books are far more useful for camelling see
this since the original 1999 edition of sahara
overland author chris scott returned to the desert
exploring eight countries while both leading

his''**book vs movie sahara tangential space**

May 14th, 2020 - the verdict so which is better
sahara the novel or sahara the movie i am going to
give it to the book though for me it is pretty
close decision the freedom that the book has to

flesh out the world of the story and to raise the stakes a bit more helped it to move ahead of the movie for me'
