forest e wood s hivariate**

May 10th, 2020 - i was going
say same as the difference
between ? and ? um a forest is
denser i guess undergrowth and
whatnot woods generally
involve mostly just trees
forests are usually bigger
than woods a lot of people
live near a wood but most do
not live near a forest yeah a
forest usually denser and has
more trees than a woods i used

to remember the difference
when learning chinese'
