May 6th, 2020 - a haunting tale of struggle and redemption sons of blackbird mountain is a portrait of grace in a world where the broken may find new life through the healing mercy of love my take prepare yourself friends picking up a bischof novel is going to mess with your emotions in the best way eventually''**book review sons of**

blackbird mountain by joanne bischof

May 21st, 2020 - so sons of blackbird mountain has plenty of conflict and plenty of issues for the characters to deal with it s a gripping read with fascinating and original characters and plenty of emotion the writing is strong although bischof does have this weird habit of using odd sentence fragments something i love in contemporary fiction but which feels out of place in a historical novel'

'sons of blackbird mountain my review the engrafted word

May 20th, 2020 - sons of blackbird mountain took me places i did not expect there is real struggle in these pages but there is also hope and a great deal of healing each setting was so vivid and the emotions so raw the ending

brought beautiful closure and much anticipation for the sequel without question this author is one of my favorites'
