**'Witch Unnatural World Wiki Fandom**

*April 26th, 2020 - The witch cult hypothesis a controversial theory that European witchcraft was a suppressed pagan religion was popular in the 19th and 20th centuries From the mid 20th century Witchcraft has been the self designation of a branch of neopaganism especially in the Wicca tradition following Gerald Gardner who claimed a religious tradition"***Witch Light Fletcher Susan 9780007321605 Books**

**April 30th, 2020 - I loved this book it is the confession of an accused witch to a priest in the weeks up to her execution She is not a witch and slowly the priest has to realise this I will not give the end away but it is both thrilling and touching and the characters are totally believable'**
