**'main street by sinclair lewis fiction classics lewis**

*May 13th, 2020 - main street is an american classic that i somehow missed until now despite growing up in minnesota i m now reading babbitt i know there was a lot of antagonism against lewis for his portrayal of life in small town minnesota and maybe that s why i don t recall any discussion of him or his fiction in high school in the early 60 s despite the fact that he was minnesota s and the usa s first*
