authors looking to publish their work in Injury Prevention'*

**'Why publish science in peer reviewed journals « Genomes
July 12th, 2011 - The publishing process as it stands
currently As most readers here are aware the path to
publishing a scientific paper has two major obstacles first
the editor of a journal has to decide that a paper is
potentially ?interesting? enough for publication in their
journal if it passes that threshold it is then sent out for
?peer review'**
