May 25th, 2020 - this
syllabus reflects the
fact that the
saxophone is not only
a solo instrument but
is also an ensemble
instrument whether in
the context of a band
or orchestra or a
smaller ensemble such
as a saxophone
quartet or rock group
therefore it includes
some items which
reflect links with a
variety of styles'

May 31st, 2020 - i started working with john harle s book a few weeks ago the work is a premature and inplete publishing project by faber i think he they badly need to revise it into a 2nd edition which gives equal attention to the particular challenges of playing tenor and baritone on a par

with alto and
soprano'
