2"mark levine the jazz theory book who s read it here

May 24th, 2020 - i received my copy of the jazz theory book written by mark levine yesterday and read through the first half of it imho this book is the best jazz theory book i have ever seen it includes just about everything i have ever learned about jazz theory over the past 40 years and the information is presented in a very simple logical and lucid way"*the jazz theory book levine mark books*

May 24th, 2020 - this book has been remended to me by several established guitar players honestly it s going to be lots of work but as levine said in the introduction only 1 is magic and 99 is the work you put into learning jazz theory'
