2009 David LeBer reBeLog

**March 8th, 2020 - Getting started
with D2W is not an easy task and I
owe a massive debt to the two
chapters in the Wrox book
Professional WebObjects 5 0 with
Java which is sadly out of print The
book was a team effort but I believe
that Jim Roepcke wrote those two
chapters and is still involved in the
WebObjects munity'**
