### ***poster boy 2004 poster boy 2004 user reviews imdb***

*June 14th, 2019 - poster boy is a film with a lot of potential the story premise is solid though a bit tired the cast of both young and experienced actors is quite fine and there are some worthwhile statements about our political system about tolerance and acceptance and family and about being true to yourself*

### **'poster child a memoir by emily rapp goodreads**

**May 15th, 2020 - interesting memoir by a young woman who has worn a prothesis most of her life due to a birth defect one year she was the march of dimes poster child hence the title the story gets a bit boring and repetitive at times in part due to the strictly chronological structure"peter drew questions art family and the adelaide review**

June 1st, 2020 - in his memoir poster boy artist peter drew navigates conflicting perspectives on australia s streets and within his own family as he explores what it means to be a political artist an australian and a man'
