**'the explorers a story of  
fearless outcasts**

**blundering**

May 21st, 2020 - the  
explorers seeks to analyze  
common qualities of explorers in  
an effort to understand what  
makes a person be an  
explorer and what traits  
defined the famous  
explorers in history its thesis  
reminded me a lot of  
margaret morrell's book  
shackleton's way which  
successfully extracts  
business principles from the  
story of shackleton's  
antarctic survival saga "***the

*May 31st, 2020 - the great  
explorers books dealing  
with all those brave souls  
whose exploits in the name  
of science chiefly from the  
renaissance to the late 19th  
early 20th century  
contributed to our  
understanding that the  
world isn't flat and there are  
more things in heaven and  
earth than are dreamt of in  
our philosophy"***mr**
