sunken treasure the galleon san José colombia corners

*May 23rd, 2020 - recovering sunken cargos was nothing new the spanish even tried it with
their own galleons back in the 1700s but the boom in diving technology sonar and merical
submarines in the 1970s made deep sea recovery more practical though still a dangerous
expensive and frequently fruitless endeavour map of the action'*

'galleons and sunken treasure ebook bonifacio claudio
