**March 18th, 2020 - BOOK REVIEW The Rats  
by James Herbert However I read these with  
a smile like reading an entry in a parent?s  
teenage diary They date the book but not in  
any significant way unless you are so  
painfully liberal as to be a utopian Stalinist  
who is so psychologically fragile as to have  
an unsubtle and unstable "The symbol of  
Rats in The Plague from LitCharts The**

**April 29th, 2020 - Rats appear as the first omen  
of the plague and they symbolize both the  
plague itself and the people of Oran As  
symbols of the plague rats represent the kind of  
darkness in the world that people try to ignore  
or rationalize as humans generally try to ignore  
rats until the rats are literally dying in front of  
them'**
