prediction I voice confidently but
reluctantly and with a little
disappointment and
dismay"*Flight Distance ? Tree of

*December 12th, 2019 - Within the
current political climate the reader
might expect a new novel about the
war in Vietnam to provide a
metaphor for Iraq Yet Denis
Johnson has bigger whales to land
in his longest and most ambitious
work to date Tree of Smoke is less
concerned with any individual war
than with the nature of war and
with the essence of war*
