incendiary is the first book in the young adult fantasy series called hollow crown by zoraida córdova this is the first book i have read from this author and i did enjoy it i am looking forward to continuing on in the series but i

did have a few
things that kept
incendiary from
being a 5 star
read for me'

May 18th, 2020 - i

wrote a book that
newsweek called
arguably the
strangest
epistolary novel
ever written the
novel itself is
eerie enough and
the grotesque
coincidence of its
publication made
it even stranger i
drafted incendiary
during six

insomniac weeks in
the spring of 2004
when my first
child was six
months old and i
looked with horror
