### 'net c potential interview question too hard stack

**June 1st, 2020 - i really wouldn t use this as an interview question i know the answer and the reasoning behind it but something like this should e up so rarely that it shouldn t be a problem knowing the answer really doesn t show much about a candidate s ability to code note that you ll get the same behaviour even if a foo is virtual and b overrides it'**

### 'why are coding interviews so difficult quora

*May 16th, 2020 - this is exactly what i believed a few years ago that coding interviews are difficult but then i realised that they are just require a pletely different approach they are still difficult for me and i still suck at them anyway the recruitm'*
