## **'Review Foxeer Arrow HS1190 FPV Camera Oscar Liang**

September 21st, 2016 - The Foxeer Arrow HS1190 FPV camera is probably the only camera on the market that provides voltage OSD capability And in this review we will check out the performance and how it compares to the Swift and Eagle The Foxeer Arrow HS1190 is available at Surveilzone Arrow HS1190 Spec The Foxeer Arrow is one of ?"**Foxeer Arrow Micro Pro 600TVL**

---

---

## **2 1mm FPV Camera with OSD**

**December 23rd, 2019 - The new Foxeer Arrow Micro Pro 600TVL 2 1mm FPV Camera with OSD weighs in at an unmatched 5 3 grams This tiny camera comes with an included mounting bracket to make it easy practical and affordable to add to any micro build"Amazon com FOXEER FPV Camera Falkor 1200TVL 1 8mm Lens 4**

**December 20th, 2019 - Foxeer has been my favorite camera for a while Now they have really upped the ante This camera has all the latest tech Auto light changing remote control and WDR But the best new feature is the switchable aspect ratio For years pilots had to choose between the two 16 9 for wider view or 4 3 for better detail'**

---

## **Foxeer HS1177 V2 FPV Camera Review**

**?**

November 8th, 2019 - Foxeer has updated its classic HS1177 with some of the cosmetic features of its newest cameras like the Arrow V2 and Monster V2 However from a functional perspective the new lens makes the best improvement'

## **Foxeer Arrow Micro Pro 600TVL FPV Camera Blue**

**December 21st, 2019 - Foxeer Arrow Micro Pro 600TVL FPV Camera and better saturation as compared to the previous version of the Foxeer Arrow Micro The camera is a perfect fit for a micro build that demands high performance Note Now shipping with 1 8mm lens previously was 2 1mm Features**

---

---

## **Great WDR Function'**

### ***'Foxeer MIX 2 FPV camera with on board recording First***

*December 22nd, 2019 - The Foxeer MIX 2 camera is an excellent choice for smaller builds where weight is critical and you can?t use a secondary GoPro style DVR camera While the main board measures 37 x 37 mm the lens module has only 19 x 19 mm'*

### ***'Foxeer Falkor vs Predator FPV Camera Comparison***

*December 8th, 2019 - The Foxeer Falkor is an excellent all around camera I really like the image color WDR and FOV of the Foxeer Falkor The Predator suffers from bad lens flare and blue hue and the Falkor doesn t have these problems'*
