*comparison mqa
authentication amp
sound archimago*
June 5th, 2020 - the
word authentication
basically means the
process or action of
proving or showing
something to be true
genuine or valid
nothing more in this
regard the little
light on an mqa dac
would do the job and
may be all that
stuart s talking
about whoopee do it s
not hard to imagine
how this is done of
course embed some mqa

*data in the stream
and the firmware
detects it'*
