started using Python in the early 2000 s
in many different opportunities short
scripts web development games and now data
analytics This blog is the opportunity for
me to share things I find interesting'

*'A short amp practical HOW TO guide to
scrape data from a*

*December 22nd, 2018 - A short amp
practical HOW TO guide to scrape data from
a website using Python Félix Revert
Blocked Unblock Follow Following May 30
Note to the reader Python code is shared
at the end This week I had to scrape a
website for a client I realized I did it
so naturally and quickly that it would be
useful to share it so you can master this*

art too'
