data to the"*iactionresult and actionresult asp net*
core demystified

June 3rd, 2020 - next up in our asp net core
demystified series we will discuss and demo a whole
bunch of classes which implement the iactionresult
interface and inherit from the corresponding
actionresult class these classes are used as
responses from controller actions and include
redirecting to another site redirecting to a different
controller action returning a json object and returning a
file to the'

'getting absolute urls using asp net core stack
overflow

June 3rd, 2020 - asp net core backlog update this
won t make asp net core 5 there are indications
that you will be able to use linkgenerator to create
absolute url s without the need to provide a
httpcontext this was the biggest downside of
linkgenerator and why iurlhelper although more
plex to setup using the solution below was easier
to use see make it easy to configure a host
scheme for absolute'
