Facebook s Latest Breach Illustrates The Limits Forbes

May 3rd, 2020 - Facebook s nearly two month wait to notify data protection authorities after it became aware of a breach in spite of GDPR?s 72 hour notification requirement reminds us that GDPR is far more'

'Learning Data Science 4 Untold Truths

April 30th, 2020 - So to future proof your data science career focus on your skills and not on the information you learn Untold truth 3 Because it's hard Learning Data Science is a great investment Let's talk about career perspectives too Learning data science is a great short and long term investment' *'Big Data Smart Data Stupid Data ment valoriser les*

April 18th, 2020 - Le premier d'entre eux est 'Big Data Smart Data Stupid Data' d'Antoine Denoix de chez Axa France J'ai toujours eu une relation d'amour haine avec le sujet Big Data Amour parce que le sujet est passionnant qu'on est à peine en capacité de voir ce que cela changera à long terme et qu'il s'agit davantage d'une sujet business sociétal éthique que technologique'

'Data Is Stupid LinkedIn

October 6th, 2019 - Data is stupid Data is not clever Nor is it helpful and insightful Data is very seriously stupid And yet data can be honed with a little thoughtful craftsmanship into something amazing'

'Does Analytics Make Us Smart or Stupid SAP Blogs

April 30th, 2020 - Big data and analytics is possibly the only technology to emerge recently that rivals television's ability to

capture the world so thoroughly and panoramically while simultaneously shaping it Even as its scope and potential are still unfolding McLuhan gives us an uncannily useful way to make sense of analytics and to know what to expect'

'AT amp T Cricket offer stupid cheap 15 2GB plans bonus data

May 3rd, 2020 - AT amp T Cricket offer stupid cheap 15 2GB plans bonus data for customers Updated 2020 03 31 10 43am PDT Mar 31 2020'

'Big Data Analytics IBM

May 4th, 2020 - Big data analytics is the use of advanced analytic techniques against very large diverse data sets that include structured semi structured and unstructured data from different sources and in different sizes from terabytes to zettabytes Big data is a term applied to data sets whose size or type is beyond the ability of traditional'

'Its the Attention Stupid SmartData Collective

April 25th, 2020 - One of the mistakes we often make in our quest for economic reductionism is to assume that all value can be

monetized But this model often breaks down in the context of online communities As Manila Austin a psychologist who heads up research at munispace put it 'People want the validation that they are being heard' In 'BigData Synthesis and Algorithmic Smart BigData for April 5th, 2020 - Yes the first thing a client ask you is how to create data silo in a Big Data cluster It's stupid but anyway But the other concern of your client is now all y data are in a single cluster it means it must be very secure and ? Big Data and new technologies are very crappy for that'

'Big Data is Dead Long Live Predictive Analysis SMART

April 30th, 2020 - 'A customer focused business with Big Data in its grasp has an unparalleled source of knowledge from an increasing number of sources now mobile data social data transactional data locational data financial data family data medical data carbon footprint and consumption data? writes Theo Priestly in Forbes'

'Why antiterror datamining is stupid TechRepublic

April 27th, 2020 - How iRobot used data science cloud and DevOps to design its next gen smart home robots Checklist Employee Termination Research SMB IT stack decisions based on fulfilling business needs'

'A stupid column about Jewish geniuses without bullshit

April 27th, 2020 - Are Jews smart This is a really stupid question but New York Times columnist Bret Stephens asked it anyway His December 27 column 'The Secrets of Jewish Genius' puts forth the theory that Jewish geniuses are different from other geniuses because of their Jewishness It included a link to a racist and discredited study that explores the genetic superiority of one of the two main Jewish'

'ment Smart city dumb people The Star Online

April 30th, 2020 - By using smart technology big data can be assembled analysed and debated City councils can provide a platform for citizens to propose and debate solutions with fellow citizens as well as'
