## **Traditional vs Digital Techniques in illustration Words**

May 3rd, 2020 - I consider myself rather fortunate as I had a traditional art education in the almost pre digital age of the late 1980?s early 1990?s Training first as an Illustrator at Cambridge School of Art working almost purely in traditional non digital media such as paint collage and printmaking typography was hand rendered and we used the library for all our research no Google back then'

## **'15 Creative Presentation Ideas That Will Inspire Your**

May 5th, 2020 - The speaker walked into the room tapped the microphone ducked for cover at the high pitched screech his tapping produced laughed mechanically swallowed audibly mumbled something and began stuttering It all went downhill from there The most interesting part of the presentation was over While he strung word upon flat word I looked'
