'Products Sullivan and Sons June 21st, 2018 - why choose

Sullivan amp Sons Best choice in Control Valves and Process Instrumentation Industry leading customer service and support Top quality products'

'Square root Characteristic of flow Vakratoond

June 23rd, 2018 - It should be apparent by now that the relationship between flow rate whether it be volumetric or mass and differential pressure for any fluid accelerating flow element is non linear a doubling of flow rate will not result in a doubling of differential pressure"
