May 22nd, 2020 - hey gang there
s another great new star wars
book ing out that fans of the
classic franchise should get a
kick out of the book is called
star wars millennium falcon a 3d

owner s guide and it takes you through every little detailed bit of information that you ever needed or wanted to know about millennium falcon also known as the yt 1300 the book is written as if it s an owners manual'

'star wars the force awakens 3d review blazing minds

May 24th, 2020 - star wars the force awakens in 3d now the issue of the 3d i have to say i have seen so much better in the world of 3d movies many of the scenes in the film seemed flat this may have been down to may

of the scenes being dark and
from experience with 3d films
the brighter the better for the
effect'
