May 1st, 2020 - Not as fast as gregg or pitman but without classes being available today I found those way too difficult

to learn with self study Teeline is more natural to learn and you can gain speeds of up to 100 words per minute if not more It s definitely faster than longhand cursive so if you take notes at school or work why not pick up a used book''**Teeline a method of fast writing Book 1968 WorldCat**

April 27th, 2020 - Note Citations are based on reference standards However formatting rules can vary widely between applications and fields of interest or study The specific requirements or preferences of your reviewing publisher classroom teacher institution or anization should be applied'
