**Blackburn Bronwyn Bradley Mordour prepares to unleash the Apocalypse by trading a score of poor souls including Rebecca s for a powerful slayer of millions"Amazon com Customer reviews Stolen Souls**

September 5th, 2019 - Stolen Souls is not for the faint of heart though as it contains a bit of graphic violence drug use and prostitution Rather than reiterate the plot as others have already ably done and to avoid any spoilers let me say that the writing is spot on"*Stolen Souls Imp World 7 by Debra Dunbar*

*November 28th, 2019 - I bought this book off amazon for about 9 quid which for a small book I think is self published I found quite expensive I wont normally buy a novella that costs more than 6 as to me they aren t usually worth more I thought Stolen Souls would be worth it Stolen Souls is a mystery book not about who killed who but rather who raised who"***Stolen Souls Audiobook by Stuart Neville Audible com**

*November 19th, 2019 - However when the story comes right up to date in Stolen Souls it goes up a gear and keeps the reader on the seat s edge all the way through There is a pathway to a further sequel from Stolen Souls and I cannot wait to get it Highly recommended 1 of 1 people found this review helpful'*
