---

**May 6th, 2020 - another factor effects the gnostic class forms and frameworks time and space these too must be seen as both class forms and part of the gnostic class framework and they are the concepts or forms of the psyche the kenoma see below definitions and the pleroma"the path of gnosis gnosis episteme and doxia oh my**

April 18th, 2020 - gnosis episteme and doxia oh my one of the biggest misconceptions concerning gnosticism is the oft repeated phrase gnosis is the greek word for knowledge this is

---

---

then frequently followed by the claim that gnostics thought they were saved by possessing secret knowledge or some variation thereof'

### **'the gnostic god the catholic thing**

May 4th, 2020 - the similarities to certain parts of the christian message was precisely what made ancient forms of gnosticism so dangerous and why the early church fathers spent so much of their energy arguing against them carefully clarifying how orthodox christianity differed from what these gnostics were selling" ***theosophy and***

---

---

## **science**

*September 22nd, 2019 - immediately after formation the theosophical society in 1875 the founders of modern theosophy were aimed to show that their ideas can be confirmed by science according to professor olav hammer at the end of the 19th century the theosophical doctrine has acquired in europe and america wide popularity thanking to numerous publications which contained its simplified exposition and in'*

**'semantikas understanding and cognitive meaning**

---

---

**May 10th, 2020 - the second posit against gnostic epistemology concerns the paradigm's explanatory poverty if one grants that there were some sort of absolute knowledge or even any form of knowing partial or complete the gnostic explanatory apparatus would cover only those islands of truth in an indefinitely larger ocean of meaningfulness'**

**'inside the gospel of thomas gnostic wisdom foundation**

May 25th, 2020 - knowing that choices need to be made and knowing what the

---

---

outes of those choices are  
bee the essential factors for  
making informed decisions  
many times we cannot know  
these factors but here we are  
more fortunate these choices  
have been made before by  
many people and the results  
are available for us to  
examine'

## **'from new age to new gnosis**

April 19th, 2020 - from there  
he proceeds to propose a  
new gnosis encompassing the  
early gnostic scriptures bined  
with the teachings of jane  
roberts seth speaks karl  
marx martin heidegger  
gurdjieff and others the main  
theme that recurs throughout

---

---

is an unpromising critique of the myriad eclectic and materialistic new age cults and shallow philosophies'

**'sophia and khokhmah the gnostic goddess cosmic**

*May 19th, 2020 - the gnostic goddess the syncretism of judaic egyptian hellenistic and persian traditions gave rise to gnosticism a name which arose directly from an emphasis on inner knowing until the discovery of the nag hammadi scrolls what was known of the gnostics came mostly from their sworn enemies the institutional clergy'*

**'about reality a gnostic**

---

---

**advance**

**May 22nd, 2020 - internally  
the brahmin housed  
another sect kept apart  
from the rest of the caste  
the upanishad who  
practiced lived knowing  
and a process started that  
became fundamental to the  
founding of buddhism  
groups of upanishads  
agreed this release this  
union is available to all not  
just through what a  
priestly caste makes  
available so they  
left" *progressive christianity*
