March 30th, 2016 - Thanks for writing such a great article series JCL? a thoroughly enjoyable read I have to say though that I don't view model based and machine learning strategies as being mutually exclusive I have had some OOS success by using a combination of the elements you describe''matlabr a Package to Calling MATLAB from R with system

April 7th, 2015 - In my research I primarily

use R but I try to use existing code if available In neuroimaging and other areas that means calling MATLAB code There are some existing solutions for the problem of R to MATLAB namely the R matlab package and the RMatlab package which can call R from MATLAB as well'
