'MLlib Apache Spark

May 1st, 2020 - Spark excels at iterative putation enabling MLlib to run fast At the same time we care about algorithmic performance MLlib contains high quality algorithms that leverage iteration and can yield better results than the one pass approximations sometimes used on MapReduce Logistic regression in Hadoop and Spark Runs Everywhere'

'Applying Graph Analytics to Game of Thrones

April 28th, 2020 - We?ll provide examples of using graph algorithms on Game of Thrones data to illustrate how

to get started Note that portions of this content have been taken from our O'Reilly book Graph Algorithms Practical Examples in Apache Spark amp Neo4j which you can download for free"**Neo4j Categorical Pagerank Graph people**

'Graph Algorithms Book

April 24th, 2020 - You will walk through hands on examples that show you how to use graph algorithms in Apache Spark and Neo4j two of the most common choices for graph analytics Learn how graph analytics reveal more predictive elements in today's data Understand how popular graph algorithms work and how they're applied'

'Neo4j to Gephi Graph people

May 1st, 2020 - I was inspired by this cool visualization from the Network of thrones analysis to try and

recreate it Thanks to Michael Hunger and William Lyon I achieved it using Neo4j and Gephi together with Apoc library Note that I am not a graph theory expert so i will only focus on visualization aspect Requirements Neo4j ? Neo4j?'

'Graph Algorithms

April 11th, 2020 - This practical book walks you through hands on examples of how to use graph algorithms in Apache Spark and Neo4j?two of the most mon choices for graph analytics Also included sample code and tips for over 20 practical graph algorithms that cover optimal pathfinding importance through centrality and munity detection'
