'Download Visual Basic 2008 Express Edition for Windows 10

May 4th, 2020 - Visual Basic 2008 Express Edition is a development studio for student and beginner programmers where they can create all kinds of programs for Windows. With this light version of Visual Basic you can use tools that take advantage of the APIs in Windows Vista that transmit data via the Internet using P2P or that integrate video and audio in the forms'

'Type Conversion Functions Visual Basic Microsoft Docs
May 4th, 2020 - The Visual Basic functions are designed for optimal interaction with Visual Basic code and they also make your source code shorter and easier to read. In addition, the .NET Framework conversion methods do not always produce the same results as the Visual Basic

functions for example when converting Boolean to Integer' 'Visual Basic 2008 Visual Studio 2008 Learning Guide
