May 18th, 2020 - greater interest was aroused however by his fragments of ancient
poetry collected in the highlands of scotland and translated from the gallic or erse
language 1760 with an introduction by hugh blair 1718 1800 in which it was suggested
that epic poetry relating to the legendary fingal and his son ossian might still remain to
be discovered intact in the highland oral tradition"**
