### **COREX provides specialist services primarily in the**

June 23rd, 2018 - COREX provides specialist services primarily in the analysis of geological samples for the oil and gas industry COREX was established in the early 1970?s and over the last 35 years has become established as one of the world?s leading Core Analysis providers offering services to the leading oil companies worldwide in the area of Routine'

### **'PEICE Practical Professional Career Training for the Oil**

June 23rd, 2018 - Acid Gas Compression and Injection 1 day More Details Register Now Advanced ASME B31 3 Process Piping Code 2 days More Details Register Now Artificial Lift and Production Optimization Solutions for Offshore Wells'

### **'Stag Geological Services**

June 22nd, 2018 - Reading Aberdeen Johannesburg Qatar Perth STAG Geological Services' **'Geology Training Programs NExT**

June 22nd, 2018 - This Geology Training Programs can easily be customized for specific environments and challenges'

### **'Motive Drilling Technologies**

June 24th, 2018 - Bit Guidance is a completely new method for steering the bit in horizontal and extended reach wells that goes well beyond traditional directional drilling and or geosteering methods'

### **'Thousands of Oil amp Gas Jobs Ready To Be Discovered**

June 24th, 2018 - Overall Purpose of the Job To work within a team to complete the running of Well Test equipment ensuring successful safe operations in accordance with Company procedures and thereby ensuring a quality'

### **'Petroleum Geology of Southern England Bibliography**

June 24th, 2018 - Select bibliography on petroleum geology of southern England'

### **'Geological Services National Oilwell Varco**

June 23rd, 2018 - Our Geological Services group provides 24 7 support to operations geology departments offering superior gas analysis through our Gas Watch? products remote geosteering and logging support services that result in reliable gas data and lower operational cost' **'Fundamentals of Slickline Operations nexttraining net**

June 24th, 2018 - Detailed introduction to Slickline equipment and instrumentation used to control condition and monitor downhole operations'

### **'HRH Geology Total Integration for Operational Geology**

June 21st, 2018 - Global operational geology company World class products including including Gravitas Software Spectra Advanced Gas Analysis GeoPlacer Manpower and Geological Training'

### **'Premier Oilfield Group ? Premier Data Driven Solutions**

June 23rd, 2018 - Premier Oilfield Group integrates reservoir rock and fluid measurements across multiple disciplines to deliver completions and reservoir solutions in unconventional and conventional plays'

### **'ProGeo Consultants**

June 22nd, 2018 - More Experience Means a Better Experience Pro Geo Consultants offers some of the top geologists in the field providing the very best in Wellsite Geological Services' **'Drilling Services Schlumberger**

June 24th, 2018 - Simulate real conditions for operations experience prior to working on an actual wellsite Schlumberger owned and operated drilling rigs are available to support new product development and include 24 hour operations training and system integration tests''
