**'international security
June 3rd, 2020 -
international security
also called global**

security is a terms
which refers to the
measures taken by states
and international
anizations such as the
united nations european
union and others to
ensure mutual survival
and safety these
measures include

military action and
diplomatic agreements
such as treaties and
conventions
international and
national security are
invariably
linked' 'rationale and
political usage human
security taylor

May 22nd, 2020 - simply
put human security
debunks the question of
security from its
traditional conception
of the safety of states
from military threats to
concentrate on the
safety of people and
munities'
