'co uk customer reviews fluent python

February 12th, 2020 - i would also advise buying the kindle version of the book as i ve had the mand prompt

open whilst reading the book as i was coding some of the examples myself to see if i got the same outes as in the book i think i d have been worse off if i bought an actual copy of the book because you can t just learn python you have to actually do it as well so the kindle version helped me to do this"

the 3 best python books for your team
