'40 fantastic game development
tutorials from across the web
June 4th, 2020 - okay this isn
t technically a tutorial but
it certainly deserves a place
here chris deleon has provided
a three level platformer game
plete with a level editor and
full source code as he puts it
this is not so much an open
source project as it is an
unusually expansive pile of
connected demonstration
example code though intended
to encapsulate as much or more
about game design user'
