April 27th, 2020 - Synopsis When a film is set in a lovely scenic bit of French countryside it's easy to assume that it's going to be a sappy affair. But while *Jean de Florette* is a lovely looking film, the story is essentially a harsh one about a tough old farmer who will put his own family above anyone.'

April 28th, 2020 - In a rural French village, an old man and his only remaining relative cast their covetous eyes on an adjoining vacant property. They need its spring water for growing their flowers and are dismayed to hear that the man who has inherited it is moving in. They block up the spring and watch as their new neighbour tries to keep his crops watered from wells far afield through the hot summer.'
