books in review the religious origins of the french

June 2nd, 2020 - dale van kley s new book the religious origins of the french revolution seeks to revive a sort of whiggish interpretation of the french revolution as the struggle for freedom against sacral monarchy with much of the ideological discourse of the revolutionaries deriving from little expected religious controversies beginning with the rise and fall of calvinism in catholic france continuing through the struggles over theological jansenism and ending in the political struggles of the french'
