*April 14th, 2020 - the book design patterns  
introduced me to the notion there could be  
such things at the time i was still learning  
object orientation oo so there were many  
concepts in the book i found difficult to grasp  
however as i became more forttable with oo  
concepts particularly the use of interfaces and  
inheritance i began to see the real value in  
design patterns"***design pattern learning**
