### **'y2k 9 the dog who saved the world by todd strasser**

May 7th, 2020 - y2k 9 is a very dated book in 2019 i highly doubt many if any kids today would understand it especially in the context of its time back when y2k was much more plausible and its take on puters is also very dated nevertheless younger kids might still get a kick out of this intelligent canine using anonymous chat rooms and technology to save the world and older readers who grew up"
