May 22nd, 2020 - the trieste crisis focusses on military related affairs

in this part of the world from the race to trieste of may 1945 until the creation of the free territory of trieste and the culmination of tensions between italy and former yugoslavia in october 1953 by the later date the crisis had reached a point where it resulted in the largest deployment of military forces from both countries'

'glimpse of an old world order reconsidering the trieste
June 3rd, 2020 - irredentism of the yugoslavs neither the first western volley against soviet directed munism nor the harbinger of a new world order the passing of the trieste crisis was above all a victory for traditional great power diplomacy that greatly reduced tensions among the big three and had it continued might have defused the cold war altogether'
'the search for symmetry a tentative view of trieste the
April 9th, 2020 - abstract the post war conflict over trieste has been seen as significant by second generation studies 1 for two main reasons it is seen as a test case of the early cold war and later as a microcosm of

the cold war''the trieste crisis 1953 the first cold war confrontation
